

#1 Best-selling
Hybrid Iron Set!

YEAH, I'M EASY

Easy to hit and easier to try! I am the Bazooka JMAX Draw Iron-Wood: a revolutionary hybrid iron sold individually or as a complete set (2-LW). In fact, many say I am the most significant breakthrough in golf club design since the introduction of the cavity-back iron. Talk about forgiving! My extra wide 120-gram sole and hollow body will help you hit higher, more accurate shots; maybe the best shots of your life.

Purchase a JMAX Draw Iron-Wood #6-Iron for the special price of \$49.99 in men's, women's, or senior's graphite shafts (regularly \$79). If you are not completely satisfied, return it within 30 days for a full refund.
