Exotics XJ1 Driver and Phillis Meti Set New Record with 406-yard Drive

Batavia, IL (July 26, 2017) – An XJ1 driver was used by 2016 World Long Drive Champion, Phillis Meti in setting a new Women's Long Drive record with a 406-yard drive in the semifinals of the Mile High Showdown semifinals yesterday at Park Hill Golf Club in Denver, Colorado.

“A 406-yard drive is an amazing accomplishment, and under pressure in competition is phenomenal,” said David Glod, President and Founder. “Meti has been using our XJ1 driver most of the summer and she has had some amazing results. We are very excited to be working with her and congratulate her on a runner-up finish.”

Meti, from New Zealand, has a strong history with Long Drive as the Volvik World Long Drive Champion (2016), Volvik World Long Drive Runner-Up (2007, 2008), and 2017 Clash in the Canyon Runner-Up.

At the young age of 19 years and 2 months Meti became a World Record holder for winning the 2006 Women's Long Drive Championship with a drive of 326 yards. She was runner up the following two years in 2007 and 2008 and during that year hit a massive 349 yards. In 2009 she took a break away from Long Drive to focus on her playing career and came back with a win in 2016.
